

## caughtup↑worship guidelines

### ***1. Platform Attire***

**Women:** No capri's or jeans. Besides that, ladies, I don't pretend to know what you wear and don't wear, but if I see anything questionable, I'll make sure to let you know.

**Men:** Dress slacks or khakis, no jeans. Must have on a collared shirt, preferably button up, especially on Sunday morning. I will not have restrictions on jewelry for men, but please use common sense.

**Everyone:** Remember that this is the Lord's day and that you are standing on a stage as an example for everyone in the church. Keep this in mind when picking out clothes.

### ***2. Practices and Performances***

Practices for Sunday morning will be at 8:30 a.m.

Practices for Sunday evening will at 9:15 a.m.

Be on stage at least 5 minutes before each service.

*Remember-a hurried 3 minute prayer before a service is not designed to drive the service. Please be in prayer throughout the week for the services we have to come.*

If you are going to be gone when you are supposed to be singing, please take it upon yourself to: 1. Inform me 2. Find a replacement singer 3. Have them inform me.

### ***3. Contacts***

Communication is always a very important thing no matter what you are doing.

Please strive to keep in contact with me and your fellow team members about changes, vacations, hospitalizations, escapees from the zoo, or alien sightings.

If you sing or play an instrument, and you are playing for a weekend service and it is Friday and I have not called you or talked to you yet, please do your best to get in contact with me, because I either do not have your number or I am a complete doofus.

### ***4. Personal Note***

I cannot express how happy I am to be in this place and to be doing what I am doing. I love each and every one of you and will do my best to serve in whatever way possible. Thank you so much for your constant sacrifice of praise and your ongoing faithfulness. I am blessed by your ministry before it ever reaches anyone else's ears. Thank you.
